Dereham A : 69 all out

Diss A : 72-1 (9 overs)

Diss travelled to Dereham looking for maximum points for a last push for promotion. Diss captain Tim won the toss and put the home team into bat first hoping that opening bowlers Robbie West and Gooderham pick some early wickets up. They didn't disappoint when Gooderham first bowled Widdows for a duck and shortly after Robbie West doing the same bowling Harbours for 7. After this the wickets just kept coming for Robbie West as he pick up Fletcher for 2, West for 8 and Simpson for 2 for with some brilliant fast bowling by the young man to finish up with figures of 12-2-26-4. Then the pick of the bowlers Jack Bell was brought into attack to keep the batsmen on their toes, Bell wasn't messing around as he took his first wickets in his second over by dismissing the only batsmen that put up a fight Batterlley for 16, after this Bell took another 3 wickets with some gorgeous in swinging bowling ending up with some dazzling figures of 6.2-3-3-4. Captain Courridge brought himself on for a one over wonder taking a wicket on the second ball of the over with Diss cleaning Dereham up for 69.

Diss were looking to get runs as soon as possible by sending big hitter Will Ward in to opening the batting with Kristen Williman at the other end. Ward started to get into his stride hitting some glorious shot to all parts of the ground by getting bowled by a ball that did abit for a quick fire 12. Captain Courridge entered the crease looking to bat like Ward and did so with some hard hitting with Williman at the other end supporting well. Courridge and Williman put on a quick 50 partnership before Courridge had had enough hitting 26 off one over and also brought up the victory for Diss with a legside shot for 4. Diss end the season next week against Rocklands hoping for another performance last today.
