Permission for the use of photographs and recorded images

Please note that this part of the form needs to be signed by the Young Player (if aged between 12 and 18) as well as by the Parent or Legal Guardian of the Young Player. Norfolk Cricket Board (NCB) recognises the need to ensure the welfare and safety of all Young People in Cricket. As part of this commitment we will not permit photographs, video images or other images of Young People to be taken or used without the consent of the Parent/Guardian and the Young Player. The NCB will follow the guidance issued by the England and Wales Cricket Board (ECB) on the use of images of Young People, which is available on www.ecb.co.uk. The NCB will take steps to ensure that these images are used solely for the purpose they are intended, which is the promotion and celebration of cricketing activities. If photographs are submitted to the Press or published on the NCB website individuals will not be identified. In circumstances where there is a need to identify an individual player in the Press parental permission will be sought beforehand. Please note: the NCB understands that there are circumstances under which a parent would not wish their child to be photographed. Whilst the NCB will do all that it can to ensure the safety of children during events, it is the responsibility of the parent concerned to ensure that if necessary their child is not videoed or photographed.

I **consent / do not consent** to NCB photographing or videoing my involvement in cricket under the above terms and conditions.

I give permission for the player named to attend NCB Cricket Camps on the dates given. They will conduct themselves according to the 'spirit of cricket.'
